

إِنَّ هَذَا الْقُرْآنَ يَهْدِي لِلَّتِي هِيَ أَقْوَمُ وَيُبَشِّرُ الْمُؤْمِنِينَ الَّذِينَ يَعْمَلُونَ الصَّالِحَاتِ أَنَّ لَهُمْ أَجْرًا كَبِيرًا

"Verily, This Qur'an guides to that which is most right and gives the glad-tidings to the Believers who work deed of righteousness..." (Qur'an 17:9)

The greatest gift Almighty Allah (swt) gave mankind has been the Noble Qur'an. The Noble Qur'an provides human being guidance for a safe journey of life from birth to death and beyond. It addresses all aspects of life. This guidance has been authored by Almighty Allah. Unfortunately, the downfall of Muslims today can primarily be attributed to many causes; some of which are: abandonment of the Qur'an (Q: 25:30), lack of knowledge (Q: 39:9), incompetent and corrupt leaders (Q: 33:67, 68), extremism (Q: 5:77) and imitating people of decadent cultures (Q: 25:28, 29; 6:116). These and others are the diseases (sins) which have invaded the Muslims. In order to cure these diseases we must take the right medicine which Allah (swt) prescribed in the Noble Qur'an.

This book has been divided into two parts; Part 1 have selected subjects from the Qur'an which addresses variety of issues we face in this life and to prepare each individual for the Judgment Day. Part 2 contains chronologically arranged Qur'anic verses revealed to each of the five resolute Prophets (pbuh) mentioned in the Noble Qur'an. This gives the reader an opportunity to review each Prophet's work, sacrifices and communications with Al-

mighty Allah from beginning to end of his mission.
